

Grow The Jungle The Jackson LITE 200W Lampa LED Grow Dimmable SMD Samsung

200w.

Ref: JACKSON200LT

Datos sujetos a cambios. April 2023

⚡ Electric features

Power	205W
Tolerance of power	10%
Voltage	100-240V AC
Input current	0,93A
Power factor	>0,95
Frequency	50/60 Hz
Voltage of PCB	<60V SELV
Equivalent power	400W HPS
Switching time	<0.1 sec
Dimming and control	Potenciometer
Max. lights/circuit breaker C10	5
Max. lights/circuit breaker C16	8

⚡ Size

Size A	590 mm
Size B	280 mm
Size C	80 mm

The Jackson LT 200W

Luminaire for indoor intensive cultivation.

 Made in Spain

Years Warranty **3**

ⓘ General features

Type of connection	Phase, Neutral and Ground
Lifespan	60.000 h
LED model	SMD Samsung
Driver model	Turefull 240W IP67
Index protection	IP20
I&EC protection	Class I
Impact resistance	IK01
Heatsink material	Aluminium
Protection by SELV	Yes, extra low voltage

ⓘ Light features

Color temperature	Full Spectrum
Beam Angle	120°
Micromoles	435,581 micromol/sec
PAR micromol	405,663 micromol/sec
CRI	>95
Efficiency	2,43 micromol/joule
